Marcus Richards is the Director, Accounting and Operations for McDougall Gauley LLP.

Overview

Marcus' responsibilities include preparation of the firm's financial reporting. He is also responsible for the supervision and training of the accounting staff. As well, he monitors and analyses the firm's accounting processes to ensure efficient and effective procedures are in place.

Marcus received his Bachelor of Administration, with a major in Accounting, in 2015 and received his Chartered Professional Accountant (CPA) designation in 2021.
